

DEAR FCC, PLEASE PUT A STOP TO THE NAB'S PETITION 04-160. THE PUBLIC PAYS FOR SUCH CONVENIENT SERVICES TO KEEP THOSE ON THE ROAD SAFER WHILE TRAVELING. TRAFFIC AND WEATHER CONDITIONS PLAY A VITAL ROLE WHEN DRIVING TO WORK IN THE MORNING OR VACATIONING WITH OUR FAMILIES. THE QUALITY OF PROGRAMMING THAT WE RECEIVE FROM XM'S SATELLITE RADIO IS A SERVICE THAT WE DESERVE. IT IS A SERVICE OF CLARITY WHICH WE DO NOT HAVE TO WORRY ABOUT WHILE BEING CLOSE OR FAR FROM HOME. I HAVE XM SATELLITE RADIO IN MY CAR, MY WIFE'S CAR AND ON MY MOTORCYCLE AND WE ALL GREATLY DEPEND ON ITS RELIABLE SERVICE FOR BOTH PLEASURE AND SAFETY. PLEASE REJECT SUCH A PETITION. WE NEED THESE SERVICES...!!!
THANK YOU VERY MUCH.
